

Certificate of Completion

The bearer of this certificate successfully has completed a Learning Module on:

Patient Important Outcomes in the Management of Low Back Pain: Using Pain Intensity Scales

Learning Objectives

Definitions of Outcome Measurement, Primary and Secondary Outcome Measures, and Patient-Important Outcomes
Structure, Utility, Scoring and Interpreting the Verbal Rating, Visual Analog and Numeric Rating Scales
Definitions of Reliability, Validity and Sensitivity

This course has been assigned 2 Primary CE Credits by:

Massage Therapist Association of Alberta (MTAA)

Massage Therapy Association of Manitoba (MTAM).

Ontario Massage Therapists calculate Primary CEU's by dividing hourly completion time by 2 = _____ CEU's.

This certificate must be coupled with a Copy of the Student's Online Quiz results.

The Quiz Results state the name of the person who took the quiz as well as how well they did on each question.

Instructor: Donelda Gowan-Moody
